Summary

Chris has over 25 years of experience in business, information technology, management consulting, sales and senior management. He has worked in both small and large multi-national companies locally and internationally across a wide range of industries negotiating large complex contracts and managing a professional services team implementing business and supply chain management solutions.

He uses his business experience and his mediation skills to assist parties either avoid conflict or resolve their disputes and reach solutions which meet their needs.

Principal areas of practice:

Workplace and Commercial Mediation and Dispute Avoidance and Alternative Dispute Resolution Services. These disputes may involve employees, directors or partnerships, employment and workplace interpersonal issues, commercial contracts, projects, information technology, professional services and trade practices.

Business modelling and cash-flow sustainability. Corporate governance, compliance and risk management.
